

Herb Garden

Each plant has a marker in it with a number that identifies it. The herbs are annuals unless indicated.

30. Genovese Basil – Classic Italian Basil, excellent for culinary purposes.

31. Thyme –French thyme is the classic thyme that is used in cooking. A perennial.

32. Dill

33. Cilantro

34. Parsley

35. Greek Oregano – A perennial

36. Chives – A perennial

37. Mint – A perennial and can be invasive. I recommend growing this in a pot to contain it.

38. Sage – A tender perennial
